DIET INFORMATIONS

Dear Parents,

Children need good nutrition to grow, develop, to be protected from disease and to have the energy to study.

Our personal chef, Olivier, prepares on-site healthy and balanced meals each day . We all eat together, children and adults, maintaining our family atmosphere.

During the break at 10 a.m. the children have a snack prepared by Préfleuri. The snack is different each day and maybe fruit, raw vegetables, biscuits or popcorn.

In addition to the standard meal, options may be offered, vegetarian, pork-free, gluten-free or other meals, but this must be requested during registration, and may be subject to additional charges.

For any request for a special meal, linked to particular allergies, a medical certificate will be requested and a meeting with the parents will be scheduled to discuss their needs.
